Boarding The Bus

Make sure the driver can see you as the bus approaches.

Stay out of the street at all times.

Some bus stops are served by more than one route. Check the route number on the destination sign above the windshield or ask the driver if you are unsure.

Have exact fare, a pass or transfer ready when you board the bus. The driver cannot provide change if you pay more than the posted fare.

If you need a transfer to complete your trip, ask the driver for it as you get on the bus.

If you are paying for multiple passengers, please let the driver know before inserting your cash fare.

Visit Our Website: www.taketrax.com

Exiting the Bus

When you see the bus nearing your designated stop or transfer point, pull the cord above the window to signal the driver you want to get off the bus. Please give enough notice so the driver can make a safe stop. To get off the bus at a flag stop, advise the driver well in advance so he/she can choose a safe location to stop. If you are not familiar with the area, ask the driver to let you know when the bus is nearing your destination.

Lost and Found

If you lose something while riding on a bus, report it as soon as possible. Please call (530) 385-2877 during business hours. Provide a description of the lost item and let us know the route number, date and time of the loss. If you find something on a bus, please give it to the driver.

Wheelchairs & Mobility Devices

All wheelchairs and similar mobility devices must have properly working brake systems and cannot exceed 650lbs, including the passenger. Drivers may provide some assistance, but are not allowed to physically lift passengers or devices. For safety reasons, electric-powered wheelchairs or devices must be backed onto lifts and the power must be turned off during transport. Wheelchairs must be secured with 4-point tiedown system. We strongly encourage you to wear your lap belt at all times.

Bike Racks

All buses are equipped with easy-to-use bike racks located on the front or back of the bus. Free use of racks are on first come first serve basis. Tell the driver you will be using the bike rack before you put your bike on, so he/she knows to wait for you. Passengers are responsible for loading and unloading their own bicycles.

DRIVERS CANNOT ASSIST.

Passengers use the bike racks at their own risk. TRAX assumes no responsibility for damage or loss to the bicycle or any items thereon. Once your bike is off the rack, wave to the driver where he/she can see you.

Children Under 10 Years Old

Children under 10 years old must be accompanied by an adult or have written permission to ride, signed by the child's parent/guardian, and a responsible adult must be present at the drop-off destination. Written permission must contain the names, addresses, and phone numbers of both the parent/guardian and the responsible adult who will be present at the drop-off destination. Note: If there is no responsible adult present at the drop-off destination, the child will remain on the bus and proper authorities will be notified.
